

Emerging Materials for Thin Film Solar Cells

International Center for Materials Research

University of California, Santa Barbara

August 7-12, 2011

Suggested Itinerary Arrive Santa Barbara: Sunday, August 7, 2011, Registration begins at 5pm.
Depart Santa Barbara: Friday, August 12, 2011, by 2pm

Transportation Transportation will be provided to/from the Santa Barbara Airport and Manzanita Village/Santa Ynez Apartments for Summer Program Participants. Once you arrive at the airport or Goleta Airbus stop, please use the courtesy phone to contact the apartments and arrange for your pick up (Manzanita: phone number 893-6161 Santa Ynez: phone number 893-2626). The shuttle will run from 7 AM until 10 PM. If you arrive before or after this time please take a taxi to Manzanita Village/Santa Ynez Apartments. Transportation will be available only on the check-in and check-out dates indicated below. You will be notified of where you will be staying with a separate email. You will need to arrange your own transportation and lodging (suggestions below) for any additional days spent in Santa Barbara outside of the program dates.

If you fly into Los Angeles and are unable to get a convenient flight from Los Angeles to Santa Barbara, it is recommended that you secure transportation on the Santa Barbara Airbus, www.sbairbus.com. Be sure to get off the bus at the Goleta stop which is located at 750 Technology Drive (this is the last stop). Transportation will be provided to/from the Santa Barbara Airbus stop in Goleta and the Manzanita Village Dormitory/Santa Ynez Apartments. Once you arrive at the Goleta Airbus stop, please use the courtesy phone to contact the apartments and arrange for your pick up (Manzanita: 893-6161 Santa Ynez: 893-2626). The shuttle will run until from 7 AM until 10 PM. If you arrive before or after this time please take a taxi to your dorm.

Accommodations Lodging will be provided in the UCSB Manzanita Village Dormitory and the Santa Ynez, located by the UCSB campus. These will be shared accommodations with two people per room. Rooms will be single sex. You will be emailed separately with your housing assignment.

Local Transportation

Maps <http://www.santabarbaraca.com/visitor/maps.php>

Local Bus Routes and Information <http://www.sbmttd.gov/>

Additional Transportation Information

<http://santabarbaraca.com/category.php?s=visitor&cid=1>

Weather

The weather is usually temperate during the day in the high 60s to high 70s Fahrenheit (approximately 20 – 26 Celsius) and cooler in the evening.

Program Dress

Bring comfortable, casual clothing, but be sure to also bring layers (sweater, and/or a jacket) because it can get cold some days (really!).

Additional Info.

If you would like information on Santa Barbara restaurants and activities, please visit the following website <http://www.santabarbara.com>.

Program Schedule

The ICMR Program schedule will be posted to

<http://www.icmr.ucsb.edu/programs/thinfilmsolarcells.html>

Please check for any last minute updates prior to arrival. There will be a beach BBQ and a closing social event at the El Paseo Restaurant in downtown Santa Barbara.

Poster Sessions

Poster boards will be 36 inches x 48 inches (91 cm by 122cm; portrait preferred).

Poster sessions will be held on Monday and Tuesday. Please check the program online to determine which day you are presenting.
