

Summer school on Materials and Structures for Hypersonic Flight

*International Center for Materials Research (ICMR) &
the National Hypersonics Science Center (NHSC)
University of California, Santa Barbara
August 14-26, 2011*

Suggested Itinerary Arrive Santa Barbara: Sunday, August 14, 2011, Registration begins at 6pm.
Depart Santa Barbara: Friday, August 26, 2011, by 12pm

Transportation Transportation will be provided to/from the Santa Barbara Airport and Manzanita Village for Summer Program Participants. Once you arrive at the airport or Goleta Airbus stop, please use the courtesy phone to contact the dorms and arrange for your pick up (Manzanita: phone number (805) 893-6161). The shuttle will run from 7 AM until 10 PM. If you arrive before or after this time please take a taxi to Manzanita Village. Transportation will be available only on the check-in and check-out dates indicated below. You will need to arrange your own transportation and lodging (suggestions below) for any additional days spent in Santa Barbara outside of the program dates.

If you fly into Los Angeles and are unable to get a convenient flight from Los Angeles to Santa Barbara, it is recommended that you secure transportation on the Santa Barbara Airbus, www.sbairbus.com. Be sure to get off the bus at the Goleta stop which is located at 750 Technology Drive (this is the last stop). Transportation will be provided to/from the Santa Barbara Airbus stop in Goleta and the Manzanita Village Dormitory. Once you arrive at the Goleta Airbus stop, please use the courtesy phone to contact the dorms and arrange for your pick up (Manzanita: 893-6161). The shuttle will run until from 7 AM until 10 PM. If you arrive before or after this time please take a taxi to your dorm.

Accommodations Lodging will be provided in the UCSB Manzanita Village Dormitory located on the UCSB campus. These will be shared accommodations with two people per room. Rooms will be single sex.
